PEDRO OSORIO LOPEZ

CYBERSECURITY ANALYST AND ENGINEER | FERROL, A CORUNA
PHONE: +34 644394941 | EMAIL: POL.2000.PO@GMAIL.COM

ABOUT ME

Certified Cybersecurity Analyst and Engineer. Specialized in Ethical Hacking and Cloud Computing, but also proficient in Network Defense and Computer Forensics. I am looking for an entry-level cybersecurity position so I can help keeping your company safe, prove my skills and grow my career.

SKILLS

<u>Languages:</u> Spanish | English.

<u>Programming Languages:</u> C, C++, HTML,CSS, JS, Java, Python, SPL,, SQL and others.

<u>Operating Systems:</u> VMs, Linux, Windows, Windows Sever, Mac, Android, and iOS.

<u>Cybersecurity Tools:</u> Wireshark, tcpdump., Barp Suite, Metasploit, Sleuthkit, Forensic Toolkit, and others.

<u>SIEM Tools:</u> Splunk and Chronicle, and Sentinel.

<u>Personal Skills:</u> Disciplined, organized, effective communication, collaborative, and enthusiastic learner.

EXPERIENCE

STUDENT-ATHLETE • TEXAS STATE • JAN 2019 • MAY 2022
-Went to the US on an athletic scholarship and studied Computer Science. During that time, I represented the University to the best of my ability, earned numerous awards, and developed several projects of my own (including webpage, app, videogame, etc).

BLOCKCHAIN DEVELOPER • TEXAS STATE • JAN 2022 • MAY 2022
-Worked in a team of four people to develop, deploy, and test transactions with a cryptocurrency (using Jira, Git, JS, and Solidity).

FREELANCE ETHICAL HACKER • HACKERONE • JAN 2021 • ONGOING
-I studied CS hoping to learn pentesting, but I didn't. So I taught myself and joined HackerOne. Never stopped learning ever since.

EDUCATION

COMPUTER SCIENCE • MAY 2022 • TEXAS STATE UNIVERSITY
-During my time at TXST. I had a cumulative 3.67 GPA and earned the prestigious academic Dean List Award every semester.

COMPUTER ENGINEERING • ONGOING • UNED SPAIN
-Currently continuing my education at home (online), which allows me to pursue both my athletic and professional goals.

PROFESSIONAL CERTIFICATIONS • OCT 2023 • COURSERA
-Google Certified Cybersecurity Analyst, Microsoft Azure Security Engineer, AWS Cloud Solutions Architect, and EC-Council Cybersecurity Attack and Defense Specialization.

HONORS AND AWARDS

-Spanish Track and Field champion. Still competing at the top level.
-Team Captain and School Record Holder in track and field at my previous university (Texas State).
-Track & Field NCAA Division I Conference Champion three times.
-Several Track & Field Student-Athlete of the Week Awards.
-Track & Field Student-Athlete of the Year Award.
